PRESIDENT'S MESSAGE

We are in the countdown for the August juried show. By the time you read this, I'm sure you would have had your latest master piece(s) framed and ready for take-in, which is just a few days away. No...well then, rummage through your beautiful oldies (not more than 2 years old) and enter to win!

Then, on to the next event, which is the 2nd Annual Art Festival. It was a lot of fun last year, and I am looking forward to seeing more of you taking part this year (see the gallery manager's column for more information).

I'm making this message short because I have painting on my mind, and I would like to get back to it. Everyone is entitled to their own opinion, but I think I am a better painter than I am a writer, or at least it certainly comes more easily to me. See you at take-in.

-Mary Anne Bloom, President

SPOTLIGHT ON THE GALLERY

LIGHTS! Have you seen the new lights in the Gallery? If not, stop by during the August show beginning July 29, and look *up* as well as *at* the art, and check out the new lighting. More upgrades to the Gallery are coming over the next several months.

CAMERA! Nearly 700 people walked through the Gallery during the month of June alone. Thank you to the 36 gallery hosts who welcomed them and pestered them to nominate art for the People's Choice winner. Each visitor represents a potential patron or member of the Gallery.

ACTION! Summer is a great time to work on our art and also to display it. The 2nd Annual Art Festival is set for **September 5-6**. Applications to participate, demonstrate, and sell work are available at www.coalartgallery.com and are also on the gallery desk. There is no charge to COAL members to participate, but space is limited and assigned on a first-come, first serve basis—so get your applications to me soon!

Have you updated or created your artist bio? Please take time to review and update your artist bio. There is a folder at the gallery for you to put your updated or current artist bio in so we can have a beautiful new book ready to greet our visitors.

Finally, a reminder: there will be no shrink wrap or cards accepted during the August (Open) show due to space limitations. We are taking inventory of all shrink wrap, cards, *and* unclaimed art work over the summer, so if you get a call or email from us to pick up your work, come by and check out the new lights as well!
