**President's Message, by Bob Mussay**

Once again we are making an appeal for a Brushmark Coordinator/Artist. Judy Richardson has been doing a great job filling in, but in addition to her other duties, it is becoming too much of a burden. I'm afraid that if we can't get a volunteer, we might have to give up or drastically reduce the content of this valuable piece of information. As you all know we are an organization that runs solely on the work done by volunteers so I am asking again for someone to step up. Anyone interested can contact Judy Richardson at 760 433-2258 ([JudyAR1943@cox.net](mailto:JudyAR1943@cox.net)) or Bob Mussay at 760 730-9274 ([Lazyram@aol.com](mailto:Lazyram@aol.com)).

The Gallery has acquired a copy machine, located in the back room. This machine should be used for COAL business only. No other use is authorized. Those of you who have been using the UPS Store to run copies should no longer do so.

Members are required to make every effort to pick up their artwork at the end of each month. Space in our back room is very limited and the possibility of damage exists when people go through the stacks looking for their work. Even if you are not going to enter in the next show, you are still expected to pick up your work unless you are out of town. Remember COAL has no liability for damaged work.

Just a reminder that WE DO NOT accept shrink wraps or cards at the August Open Show take-in
