### SHOW ENTRY RULES

Reminder from the Board: ORIGINALITY: All work submitted must be the artist's own creation and not copied from the work of other artists or cloned from copyrighted material. Class or group work must be the sole creation of the artist with no aid from the instructor or the group other than advice. Classroom work will be accepted in the regular monthly shows at the gallery, but will not be allowed at the Annual Open Juried Show. The integrity of the art work is the responsibility of the artist.

The COAL Board of Directors would like to remind the membership of the Art Show Rules and Category Definitions under Forms & Policies on our website at: [www.coalartgallery.com](http://www.coalartgallery.com). Look for the prospectus, judges' bios & take-in forms on the Homepage. There are also copies on the desk at the gallery.

**A few words from COAL President, Bob Mussay . . .**

This is an appeal to our members to step forward and volunteer their time to fill upcoming vacancies. Next year we will be looking for the following:

- President
- Gallery Manager
- Program Director
- Website Coordinator
- Assistant Treasurer

Some of the people currently in these positions have already given two or more years of their time and should not be asked to give more.

COAL is an all-volunteer organization, in existence for 65 years only through the hard work of members who have stepped up to do what was needed. You are all busy but it has been my experience that busy people are the most efficient and always find the time. If you are willing to be a vital part of COAL and help, please contact me at 760 730 9274 or [lazyram@aol.com](mailto:lazyram@aol.com) or contact any other board member.
