Craig Anderson was born and raised in upstate New York before moving to San Diego in 1988. He works exclusively in transparent Watercolor.

Craig believes that art is a timeless expression of the beauty that surrounds us: a fossil of some piece of real life that existed in time and space, a real, living, breathing thing.

His trademark is his use of vibrant color and bold value patterns in order to reveal and discover the majesty hidden within his subjects.

Craig is an award-winning artist whose work is represented by private and corporate collections nationwide. He is a member of the San Diego Watercolor Society and has served as a juror in a number of art exhibitions and is in demand for live demonstrations and workshops.
