Rita Pacheco, September Judge and Sept 7th Demo Artist

Rita Pacheco is a local Southern California plein air and studio artist residing in Carlsbad, California. She is a Signature Member of the *Laguna Plein Air Painters Association*, and Artist Member of the *California Art Club*. She regularly participates in Plein Air Invitationals across the country, and this year will be painting in the Telluride Colorado, Kern County and Laguna Plein Air Invitationals.

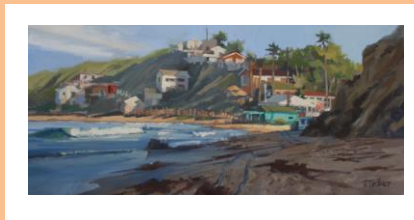

Rita has been featured in Plein Air Magazine and Southwest Art Magazines where she was named an “Artist to Watch”, and her “HeARTfelt Hands 2017 Studio Sale” made the local Coast News!

Rita began her formal training at Art Center College of Design in Pasadena. She continued her education with classes at the Watts Atelier in Encinitas and through experience with and influence of other prominent figurative and landscape painters. Rita has since developed a style of her own and enjoys painting "en plein air" and in her Carlsbad studio daily.

Rita's background in architectural rendering stems from her earlier career in restaurant and hotel design. The sheer enjoyment she receives when painting from life is evident in all her works and facilitates the accuracy and strength of her figurative and still life paintings as well as her dynamic landscapes!
