

**The Premier North County Coastal Art
League & Gallery**

October 2019

President's Remarks:
Congratulations to Best-of-
Show winner, Linda DiRosa,

and her watercolor piece, "Harbor Daze"! It caught the judge's eye early-on. Linda's award and all for September were given by our Judge, Corinne Schaff, who additionally gave a wonderful demo on silk-painting which was accessible to all attendees. A first, hands-on fun! Thanks Corinne!

I want members to know that you can volunteer some time and NOT have to be a member of the Board. If you have some time to assist us on our programs please let Gertrude Lewis, Gallery Director know.

Also, I need to get this message out. The Carlsbad-Oceanside Art League is an IRC Tax exempt organization, so when doing your annual tax planning, donations to our organization can be tax-exempt. Check with your tax advisor. Also we have a great

schedule of events going into Fall, so please check out our Schedule. Your participation on a monthly basis is greatly appreciated.

My Best to you. Charles

Reminder: ALL Members please read the COAL Gallery Framing Guidelines. We always want to display original art that meets our standards but are finding that canvas is not stretched appropriately, and if shown unframed, edges are not finished and at times staples are showing-not acceptable. Hanging "devices" and "d-rings" need to be secure. Our displayed art is to be "ready for sale" in every manner.

Rejection is possible at any stage. The good news is that we love our artists and want all to be proud of what is on our walls. See you (and your art) in October! Charles

Remarks from Gertrude Lewis-Schlegel,
COAL Gallery Director

September 2019

Art from Carlsbad's Sister City Karlovy

Vary, Czech Republic, is now on display.

Thanks to Charles and his team's hard work, the display of art is outstanding and should not be missed. We, again, have been receiving great comments from the general public.

I want to welcome Holly Wolfe as Assistant Gallery Director and to thank Tom Smith who is staying on in his previous position. These positions are important to keeping our gallery doors open and running smoothly. And welcome to all our new members. As a reminder a reception is held each month, the Sunday following take-in, and is a wonderful time to share a drink, have some snacks and meet fellow artists.

October's Show-in-Show theme is "Water."

So, get your art ready and let's have another great show.

COAL Gallery Requirements:

A word to ALL gallery sitters: it is vitally important that your attention is on attendees in the gallery, and that you are always in the front of the gallery. We know that you may need to go to the back for cleaning supplies momentarily, or you may wonder through the gallery looking at

artwork yourself, but securing the gallery should always be kept in mind. You should never leave the gallery unlocked, even if it is momentarily, and when leaving the gallery at closing, be sure the lock is fully engaged. Submitted by a Director, and endorsed, Charles
