

The Premier North Coastal Art Gallery 2020 !

Gallery Opening, June 15th !

President's remarks: After much discussion and weighing of the issues the COAL Board has decided to postpone the June Take-in to June 15th. We still need time to accommodate current conditions. It should be pointed out, however, the Gallery will have a NEW FLOOR! Prior to that, I want to profusely thank those Members who removed their art from the Gallery walls on short notice. Personally appreciated! Also note that

during this “hiatus” our ceiling and plumbing leak problems-from the above suite- have been secured so that our Members should feel very safe in displaying art at the North Coastal Art Gallery.

When we open for Take-in on the 15th, our crew will have gloves , will be wearing face masks, and the Gallery will respect social distancing. We already have purchased hand-sanitizer AND a “touchless” dispenser. We will be expecting Gallery Hosts to sign-in that they are symptom free at the time of their hosting! All Members and guests will be required to wear masks in compliance with Published COVID-19 Guidelines. We will have a list of Members who will be available to be paid to substitute as before.

The on-line Registration for our Open Show continues to be available. The Carlsbad Street Faire will be held on August 9th which provides another opportunity for exposure and sales.

COAL Membership continues to be available and those enrolled by June 15th will be included in our 2020 Directory. Of course we would like to have members pay for the complete year, \$87.00 but paying the pro-rated amount is understandable, and we honor it, no question.

The June 15th Regular Show and “Abstract” SIS will run through the end of July, 45 DAYS! It will be judged by our already scheduled judge, Kathleen Scoggins. There will be no Demo or Reception in June.

We welcome you back to a renovated Gallery waiting for your art to be displayed! Chuck Dozer

PS: Donations continue to be welcomed!
