***The COAL Open Show for  
2020, Re-scheduled to 2021!***

---

President's remarks: As a result of minimal entries and the delayed opening back to "normalcy" resulting from the COVID-19 impact, the COAL Board has decided to Reschedule our traditional "Open Show" to August, 2021! Those artists that have entered can "rollover" their paid entries and fees, OR, request a refund and re-enter next year. Questions, please contact me.

Hurrah! That means, however, that August will be a Regular Show, hopefully with "Demo" AND Reception! (details to follow).

By the way, when turning in your art Member's magnetized name-tags are available this weekend (at the Gallery). Chuck Dozer, President

PS: New entries for the Open Show have been stopped! CD
