

The Premier North Coastal Art Gallery 2020 !

***Official Gallery Opening,
Take-in June 15th !
Guidelines***

President's remarks: Your North Coastal Art Gallery is approved to open with a new floor! We have scheduled the Regular and SIS "Abstract" show with take-in from 10:00AM-4:00PM on June 15th. The SIS has money prizes. Our excellent judge is the widely-respected Brenda York (see below). Art will be displayed through

the end of July, a much deserved 45 days. There will be no Reception, or Demo.

We will also allow Early Take-in on Saturday June 13th & Sunday the 14th. In accordance with formal Guidelines we will be practicing social-distancing, and the wearing of masks, and gloves when handling our Member's art. We have gloves and a hands-free sanitizer dispenser on site.

Remember if you had art submitted for the March Member's Show, you will only have to pay ½ of the monthly fee for the number previously submitted. You may show more, but at full price. Art will be displayed through the end of July, 45 days! When signing up to "host" please consider signing up for more than one time so that we have the Gallery open to maximize much needed sales.

We are still accepting New Member and Renewal Applications through the 15th Of June to be included in our 2020 Directory. Pricing is pro-rated as scheduled although I suggest that paying the full-year amount would be greatly appreciated. Chuck

PS: Donations continue to be welcomed!
