

The Premier North Coastal Art Gallery 2020 !

NEW Flooring at the Gallery- Displayed Art Removal !

President's Remarks: All Members need to know that we are going to be replacing the flooring in the Gallery beginning May 19, 2020. Up front, that means that all art that is currently hanging at the Gallery needs to be removed by the end of Monday, May 18! Please sign out at the desk, and remember to lock the Gallery door. We will store all unremoved art at the Gallery. We did not know

exactly when all this would be happening, but wanted to take advantage of the COVID-19 closing to have it ready for our targeted reopening with the June Take-in on Monday June 1st. That's our target!

We anticipate that members will be willing to "host" and we will have Guidelines sent to you in the next few days since there are changes going on daily. We will be in compliance with Guidelines. ("social distancing", sanitizers etc)

Additionally, we need to know that we have current Memberships paid and with that in mind, we have thus far received \$2000.00 in additional donations to assist us with offsetting our lack of income-no fees, no sales-for two months. Donations (Confidential) may be mailed to the Gallery and will be banked by Gertrude Schlegel or to me at my residence. The North Coastal Art Gallery is a valuable asset that deserves to keep it's doors open.

Also, entries for our "August Open Show" continue to be available on-line at www.onlinejuriedshows.com. That is an event that is very important to our enterprise, but this year, the art will be on display during the rescheduled

Carlsbad Street Faire. Great Opportunity! Chuck Dozer
