President's remarks: We want to send kudos to ALL ribbon winners at our North Coastal Art Gallery and thank our Judge, Denise Cerro for her choices! Of special note are the Winners of our "Black and White" Show-in-Show (SIS). First Place goes to Bob Hernandez and his piece, "Dove at Window". Along with the ribbon is a check for \$75.00! Second Place ribbon and a \$50.00 goes to, John Lindthurst, "Black Phobe", and Third goes to, Charles Dozer, "Flowers and Shards". The Regular show, Best-of-Show was awarded to Chuck Dozer and his Digital Art piece "Amaryllis Fantasy". (See website for complete list) We are excited to be soon producing our first Virtual Demo with Denise and making it available to Members. Next month as well we have a great judge Roberta Dyer, who will be judging our regular show as well as our "Small Treasures" Show-in-Show, with money prizes.

At our Gallery, "Small Treasures" are pieces from all categories that are 14" or less (including frame) on the longest side. You may submit up to three

pieces in addition to the Regular show! We want your participation. Remember, we are going to have a similar “SIS” In December (unjudged) to attract art for Holiday Sales! Regarding Holiday sales, beginning with take-in in November, we are going to have a Gallery Tree to display hand-made ornaments, original art by our members, for sale. A three-ornament limit, and \$10.00 minimum per item is in place. We continue to be very grateful to our members support by continuing to submit their pieces for display and volunteering to host. We continue to be open and have planning already begun for 2021. Thank you all! Chuck

### **Gallery Director Remarks:**

This year is fast coming to an end. The Black & White SIS is now up and on display. Remember, November and December are the “Small Treasures SIS” theme show, which is always a success. So, start getting your entries ready.

The Assistant Gallery Director position is open, and if you would like to discuss it with me, please call. I am temporarily training new members, and if you have questions or I have missed training you, please call/email/text me before your host time and date. Gertrude 818/421-7760

(gertlewis55@gmail.com)

With Covid-19 concerns, we are having more members participating in early take-in. To make the procedure easier, we will setup a table in the back of the gallery. On the table will be the calendar for scheduling your Host date and take-in forms (fill in Host date, complete both top and bottom), attach with payment to the back of your entry and place in the back room where indicated. Remember to sign the "Take-in Log sheet."

So, you won't have to disturb the Host on duty, The Shrink Wrap and Card book will be on the table also, as well as 2021 Membership Renewal forms.

Beginning August 31, 2020, access to the restrooms will change from a key access to a four-digit code (which will periodically change). There will be a "tent" on the desk with current codes, AND the "red/blue" key fobs will have the appropriate codes updated and taped to them and be kept in the same desk drawer.
