**September: "Save the Dates"  
Regular Show & "Water" SIS"**

**Take-in Sept 8th, 10-2:00PM NEW**

Demo: None

## Reception: None

President's remarks for September: The August Best of Show was presented to Victoria Griffin for her Mixed Media piece, "Fabulous Fence". Congratulations! Kudos also to all the award winners in a really nice show for the month of August. ALL appreciated.

Note, please, take-in in September is on the 8th from 10AM-2:00PM- NEW hours.

An update on what's been going on in COAL over the last several months. Concerns, changes, shuffle-duffle! Since March especially, COAL has had to deal with Member health concerns and how it affects our Gallery operations not only from an individual, personal point-of-view, but also a financial sustainability point-of-view. Many Members are still understandably very reticent to "host" and therefore don't submit their art, thus reducing take-in revenue. Indeed, a number haven't renewed membership because the Gallery was closed for three months, so why renew? Understandable thought-process, no question. With the Gallery not open, there were no sales to anticipate. A lot of "downers", as have been many events over the last several months.

We have been fortunate to weather the storm, and be in a position to bounce-back because we have Members who have contributed above-and-beyond what they would ordinarily contribute in normal times. We are grateful certainly to them! Your Directors have had to spend extra time working to fill our remaining calendar and start programming for the coming year with shows, judges, and events as normal. We continue to need your support through the end of this year and to help us plan for next year. **Best from your Board, Chuck**

**Gallery Director Remarks:** Another month of Covid-19, and I hope you are all doing well. I especially want to thank the members who have stepped up and have volunteered to host the gallery two, three and more times in order for us to keep the doors open.

We still have a few positions open and if you have the time to host, please call the Gallery (760-434-8497) and ask the host on duty to add your name and phone number to one of the open dates.

In fact, sales have been exceedingly good. Remember when you make a sale to enter it in the

Sales Log book and share the news, call the artist that you made a sale.

Next month is the “Water” Theme Show-In-Show, and I look forward to another great show. Gertrude Lewis-Schlegel

### ***NOTE TO GALLERY HOSTS***

Beginning July 27, 2020, access to the restrooms will change from a key access to a four-digit code(which will periodically change). There will be a "tent" on the desk with the codes, AND the "red/blue" key fobs will have the appropriate codes updated and taped to them and be kept in the same desk drawer.
